## DNA Einstein Mindmap: The overall structure

The mindmap is developed through and housed in mindmeister.com, an online mindmapping application. It creates a map that branches out from the title bubble, "DNA Einstein."

HOSPITAL ISRAELITA  
ALBERT EINSTEIN

The "Mentoring JOURNEY Map" includes links to all online resources housed within DNA Einstein.

DNA Einstein includes a summary of the mentorship program, including frequency and duration. The 5-7 meeting figure refers to the fact that this mindmap is introduced on Meeting 1, making for a total of eight mentorship meetings.

**DNA Einstein Mindmap: The Mentoring JOURNEY Map**

HOSPITAL ISRAELITA  
ALBERT EINSTEIN

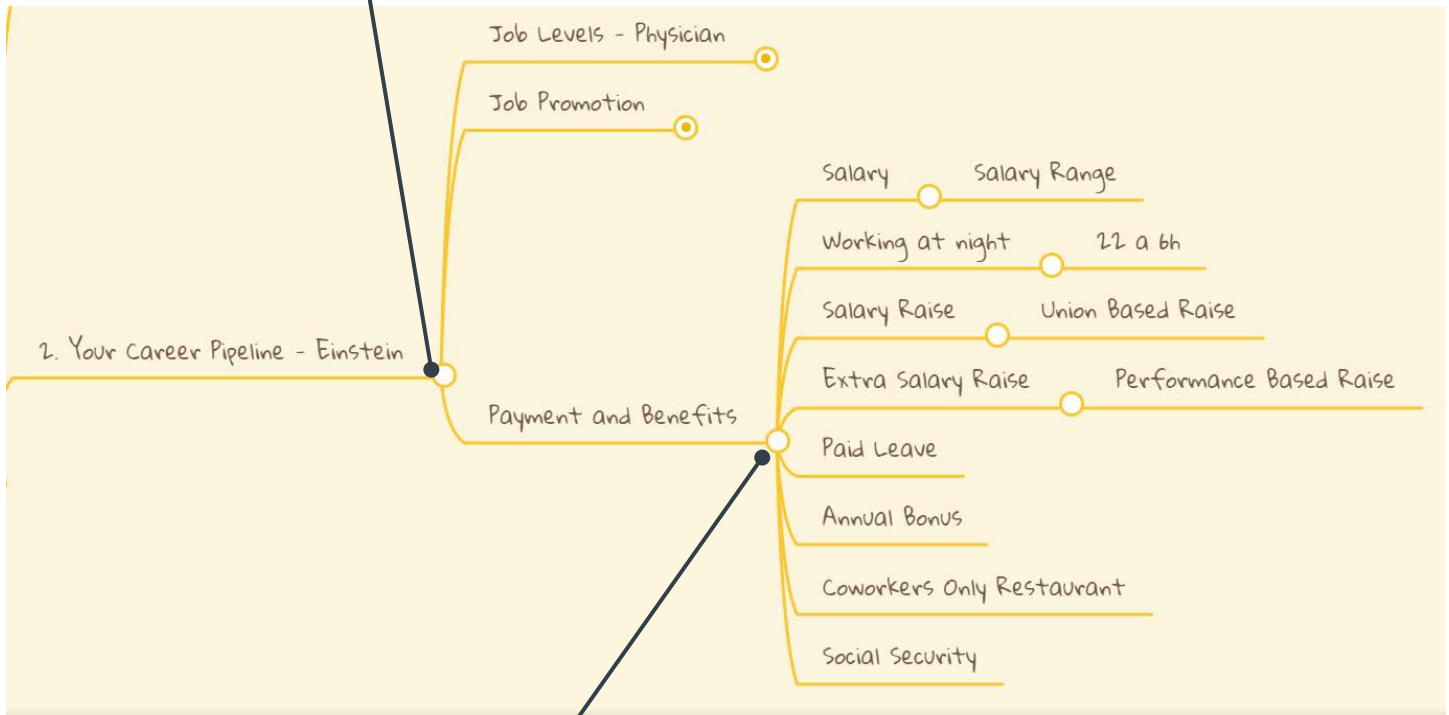

The MENTORING Journey Map links to seven key areas related to a doctor's career at Albert Einstein, ranging from technical, to clinical, to networking information. Each section expands to include the specific links and information needed to enable 'self-service' answering of questions.
