

# Building the Integrated Nursing Enterprise

## Six Key Questions for Nurse Leaders

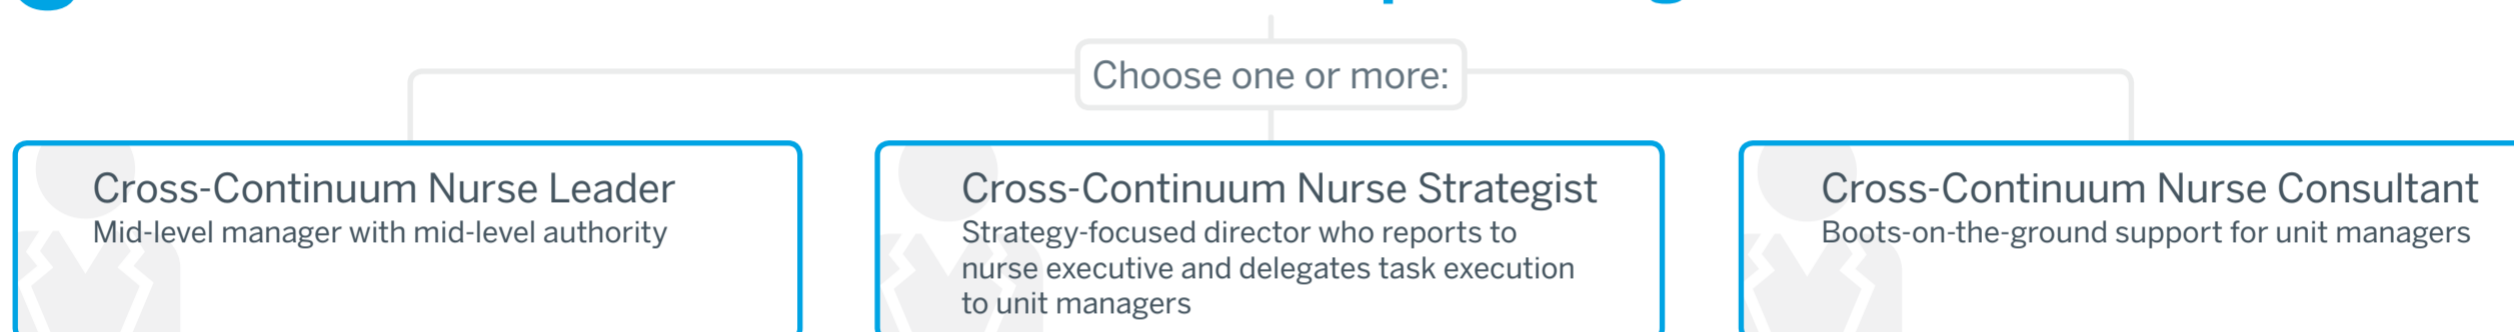

### 1 What's the **right scope of authority** for the senior-most nurse leader?

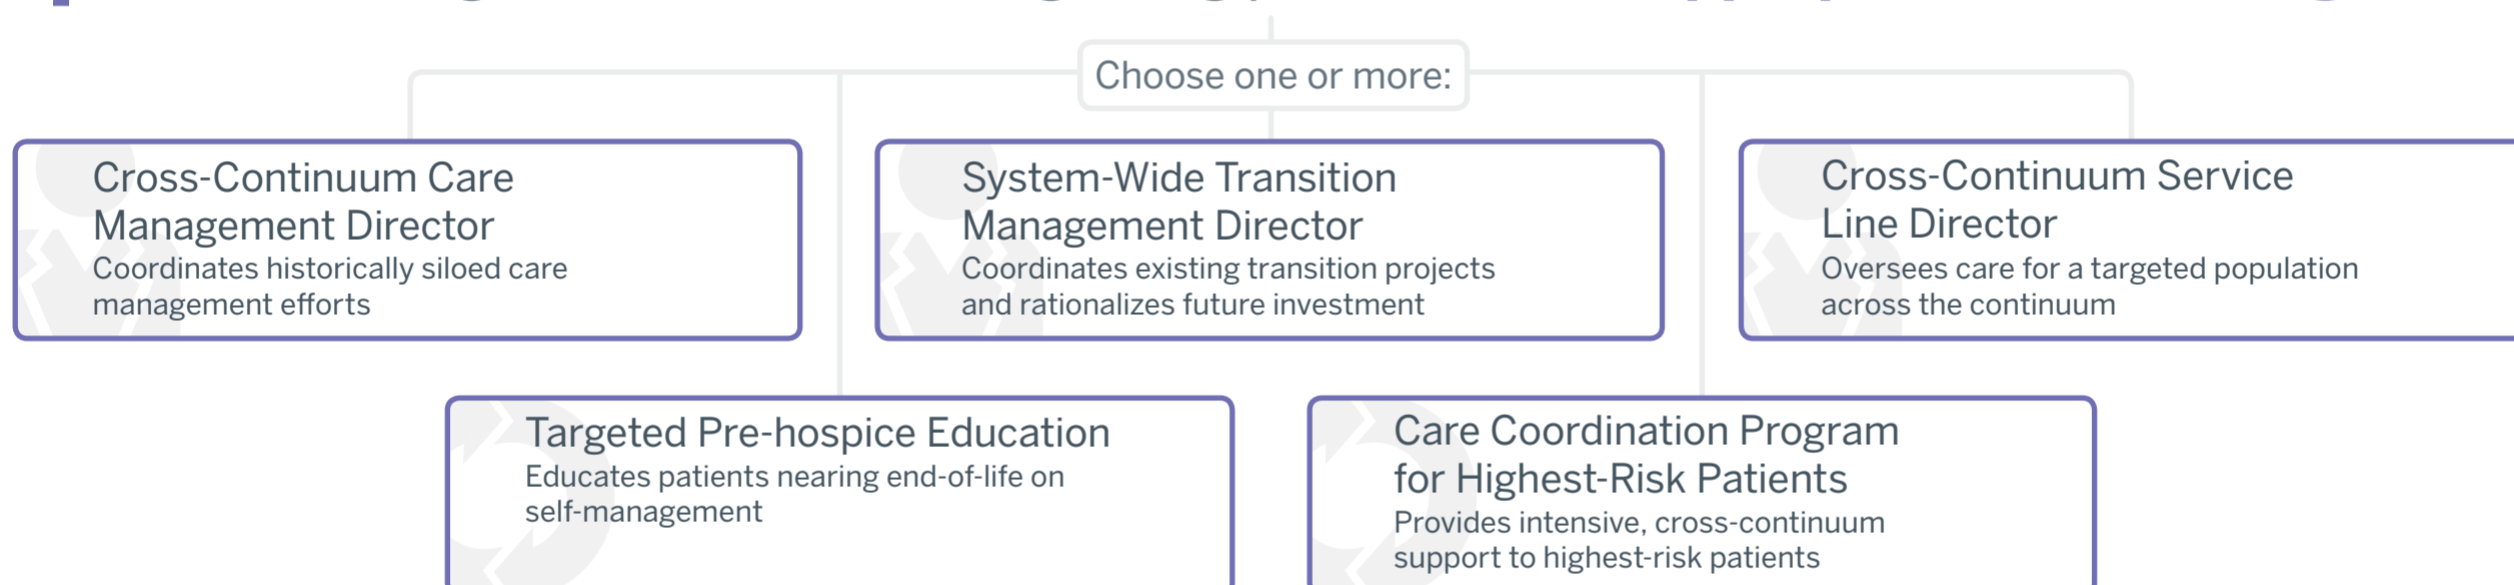

### 2 What's the right **reporting structure** for nurses?

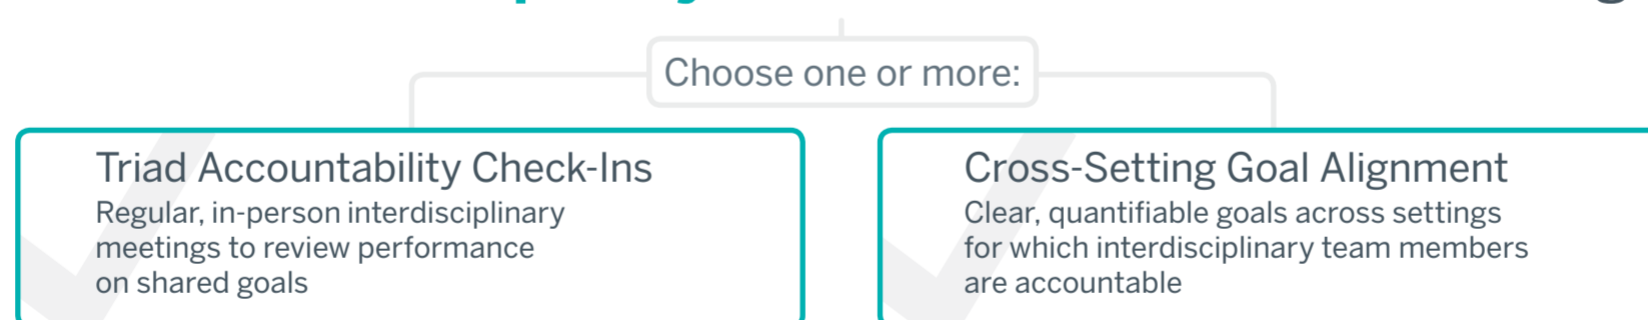

### 3 Which nurse leaders should **work across multiple settings**?

### 4 What's the right infrastructure for guiding patients to the **appropriate care setting**?

### 5 How can you ensure **interdisciplinary collaboration** across care settings?

### 6 How can you instill a **system-level perspective** among frontline nurses?
